Rotary Club Tours New Desert Valley Medical Center Heart Wing

Seeing a brand spanking new medical facility is quite unique for most of us. A hospital visit most likely involves a health episode of a loved one or friend, so to have the opportunity to see this state-of-the-art, (and not too much expense spared) Medical Center is a very special occasion.

Margaret Peterson, Rotarian and Hospital CEO and Jana Bullock, Director of Marketing, conducted two separate tours for visiting Rotarians from the Rotary Club of Victorville on Tuesday. The hospital also provided a wonderful, healthy boxed lunch made in the hospital's Dietary Services Department.

The new expansion wing adds 53 beds and 12 Intensive Care rooms to the hospital, providing more immediate placement of patients, allowing for better efficiency in the Emergency Room.

The new heart center, which will open in the expansion wing, has an open-heart surgery suite for bypass surgery and other heart procedures. All the beds are capable of cardiac monitoring from the intensive care unit. The expansion also added operating suites, digital X-ray imaging system and two cardiac catheterization labs. The State of California Health Department is expected to grant its licensing in February, and the newest wing will be up and running.

PLEASE JOIN US EVERY TUESDAY FOR FELLOWSHIP AT 11:30 A.M. BEFORE OUR MEETING IS CALLED TO ORDER AT NOON.

Thank you to our hosts Margaret Peterson and Jana Bullock from your fellow Rotarians, Groups A and B. It was really great also to see our friends, Cherie and Joe Range!

“Yes, Matt, the hoagies could fit in the chute container”...

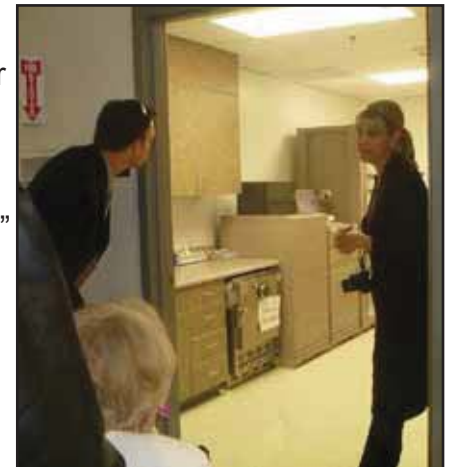

There is a perfectly good reason the two clocks show two different times... does anyone remember?

“The commode is the latest and the greatest of its kind, and is fun to demonstrate.”

“Yes, the freezer in the center does look much like a wine storage cabinet.”

NOTES

ROTARY INTERNATIONAL

Our 2011-2012 President Kalyan Banerjee has been named Man of the Year by Southeast Asian Times Magazine. His picture is on the front page of the New York edition. If you take the time to read the 9 page article, you cannot help feeling blessed to be a member of our great Rotary.

He said that, in America Rotary is considered an organization of old people and in India, it is growing because of young people. He tells young people that they might be very busy, but they can spare two hours per week for social service.

If you are one of the people who scrolls through all 9 pages of these Banerjee articles, you will be a very informed and inspired Rotarian.
