## Rotarians are Dam Good Builders

This week we were honored to have three members of the India Rotary Dream Team, that consist of over 7000 Rotarians who serve once a year in India for a week. **David Smith** from the Altadena Club, **Andrew Bird** from the Mesquite Club and **Linda Bertuzzi** from the

time it dropped to 500 and now, there have only been 6 cases this year! Right now the majority of cases are in Pakistan and Afghanistan, due to the assassination of Rotarians in the region. For people in India, having polio makes you

Rotary Club of Downtown Las Vegas were at this week's meeting to share their passion for this wonderful and life changing project.

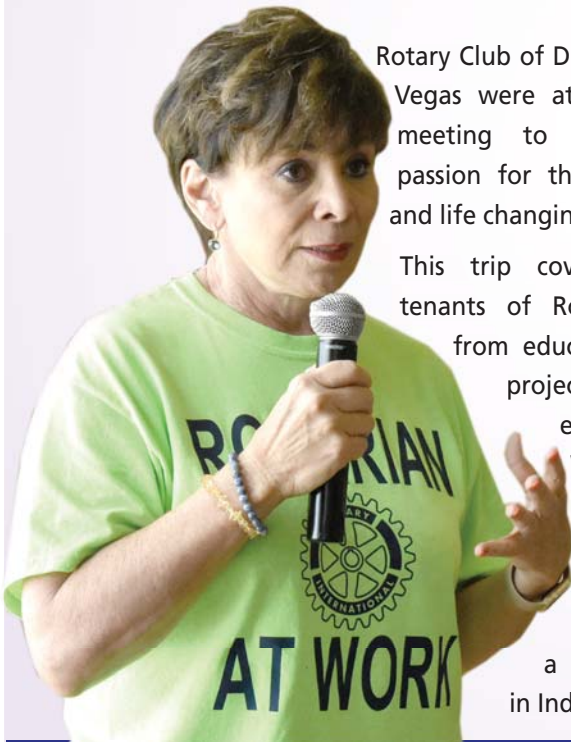

This trip covers all the tenants of Rotary service from education, water projects and polio eradication. When Linda started with this project, there were 1,000 cases a day of polio in India, then over

an outcast from society. The team is giving these people a new opportunity for a successful life, so they can go one to live their dreams.

Along with Polio, the group has also been working on dam building water projects in India for the last 10 years. These dams provide clean and safe drinking water for villages and schools in the country. Each year they go to a different region and work hard creating these dams for the villagers.

With this trip comes a scholarship program, to help Rotarians be able to afford to go on this journey. The cost is around \$3,000, and essay contests have are held to determine winners. We heard from **Andrew Bird**, who attended this year on a scholarship. Andrew shared that going to India was a once in a lifetime chance and was changed him profoundly. He had his own "Rotary Moment", when he learned more about himself and his value system, than at any other time in his life.

**Linda Bertuzzi** learned that the people of India, no matter religion and beliefs, are full of love and hospitality. In her early days of these trips, there was a lot of talk about 9/11 and a fear of Muslims, but she was able to witness Muslims, Hindu's and Christians all working together to make this world a better place. Please search your heart and see if being a part of the Rotary Dream Team in India is right for you.

# ROTARY SERVING HUMANITY

## *Dwight's Writes*

I hope you all enjoyed hearing from members of the Rotary Dream Team as much as I did! They are doing great things in India and I'd love for someone from our Club to join them one day.

I was honored to announce that Captain **Jon Schuler** is our March Rotarian of the Month! Jon is still a red badge member, but brought two programs to our luncheons in one month alone! Thank you for your outstanding service to our Club.

We also received a visit this week from our upcoming District Governor **Raghada Khoury**. Raghada gave us some updates that were discussed at last week's District Assembly.

The 2018 Foundation Gala will be held on February 24th at the Queen Mary in Long Beach, as will the District Conference. Keeping in tune with the haunted history of the ship, we will be having a Murder Mystery Night during next year's conference. Finally, during

her time as District Governor, Raghada wants to make sure that no child is left hungry, so all Rotarians are encouraged to bring one non-perishable, canned food item to every Rotary meeting, and donate them to a local Family Resource Center. Please remember that if you will receive 1 free raffle ticket for every two cans of food you bring to one of our meetings.

**Van Young** took a few moments to thank everyone who donated funds, packaged and delivered Easter Food Baskets this year. In total, 15 families were helped. Let's make it our responsibility to make that number higher next year!

Finally, my thought of the week is "*He who assists someone up the hill cannot help but get to the top himself.*" - Chinese Proverb

## *Lucky Blue Dice*

**Bill Edwards** was given the chance this week to draw one of two dice, one white and one blue. To the shock of the entire room, Bill chose white and only got \$5.

Next week, we get closer with only the blue dice and one lucky Rotarian will win \$525 next week!

## *Raffle Prizes*

**Craig Garrick** came to the meeting this week after being absent for some time and walked away as the \$25 winner!! Craig took home a \$25 gift card from Whiskey Barrel, courtesy of **Dwight Johnson**, a \$25 gift card from Midway Home Solutions and a \$25 gift card from El Pescador! **Gary Adams** got one win today, leaving the meeting with an El Pescador gift card.

Other winners included **Dr. Roger Wagner** who won a Victor Valley Union High School District tote bag from **Dr. Ron Williams** and from **Dwight Johnson**, a pair of tickets to the Renaissance Pleasure Fair to **Russ Stringham** and a Kat Country t-shirt that went to **John Kroencke**.

## *The Polio Pig*

**Collected this week: \$14.00**

**Collected to Date: \$14,114.55**

**Total equals: 89,275 Doses!**

*One dollar equals 2 doses of vaccine!  
\$500 pays for a Polio Clinic!*

## *Spoon of Exemption*

This week **Pastor Paul Earle** had his final time with the spoon and was inspired by **Linda Bertuzzi** to share a story when he was in India, struggling to find the words to share a message to an HIV house where adults and children in India are ostracized from public for contracting the disease. Paul shared how just like Joseph being sold into slavery and put in prison by the hands of his own brothers but was blessed and risen up by God, so would these people, who have been shamed from society, but are now in a place of love and acceptance and have the hope that God will restore them to their place in their land.

**Mark Taylor** then took the time to auction off the spoon for 5 weeks in May. Pastor Paul started the bidding at \$50, and then **Van Young** countered with a \$75 bid. Van thought that the Spoon should go for at least \$100 and changed his bid to that amount and won it for the month of May!

## *Fine Session*

**Mark Taylor** was once again the Fine Master and handed out a \$25 fine to **Victor Rocha** who sold 5 cars this month and \$10 our President **Dwight Johnson** who introduced **Mark Taylor** as former Rotarian **Mark Sawyer!**

In the way of anniversary fines, **Rob Kilpatrick** was levied a \$10 fine for 10 years as a Rotarian and **David North** was given a \$14 penalty for his 7 year Rotarian anniversary.

## *Rotary Guests*

This week **Rosanne Weathers** returned as a guest of **Brad Letner**, **Pastor Paul Earle** invited **Chandace Suttan**, and **Victor Rocha** brought co-worker **Debra Butler**. Rounding out guests, President **Dwight Johnson** invited **Paul Stark** from Parade of Pianos as a guest.

Finally, our stand-ins this week were **Dan Meija** for **Dan Munsey** and **Vanessa Neville** for **Louise Bevilacqua**.
