DISASTER RESPONSE FUND

When disaster strikes, Rotarians around the world come together as people of action to help those in need. To support communities in their rebuilding efforts, The Rotary Foundation is proud to announce our new Disaster Response Fund. Donations to the Disaster Response Fund help Rotary clubs provide disaster recovery and support relief efforts where the need is greatest by funding and providing access to disaster response grants.

Here are the three phases of relief:

Immediate response: Local clubs and partners immediately offer helping hands and supplies.

Short-term assistance: Clubs and Districts help affected communities wherever we can through funds and materials to re-establish day-to-day operations.

Long-term rebuilding: Clubs plan and implement projects that rebuild affected communities.
