PACIFIC AVIATION GROUP WELCOMES ROTARY

SCLA is home to Aviation Assurance Co., of which Rotarian Craig Garrick is C.E.O. Pacific Aviation Group (P.A.G. - aircraft management) and Southern California Aviation (S.C.A. - aircraft maintenance) are subsidiaries of Aviation Assurance Co.

Speaking of P.A.G., in Craig's words: "What we do, at the end of the day, is we manage commercial aviation assets". This management of assets includes leasing, sales, and storage of aircraft.

The Rotary Club of Victorville had the rare opportunity to tour parts of the facility this past week. An impressive piece of inventory is the \$30-some million dollar engine for the "Triple Seven". Craig explained aspects of the business as the group toured aboard the Ebmeyer charter bus and walked the tarmac amidst an array of airplanes. We were able to climb into the guts of a cargo plane, and learned first hand just how roomy this airplane is!

Thank you to Craig and his team for putting together an exciting and educational "field trip" for Rotary!

We are missing our friend, Vito Bello, so in his honor, plan a trip to the Mall of Victor Valley and see what he has been able to accomplish in his short tenure in the H.D.

Russ' Rap

Hough presented **Russ Stringham** with his reward for being September's High-Point Membership Contest winner! Bring prospective guests to Rotary meetings and get an opportunity to be a winner as well!

Hough offered information on a new "Mentor Plan", which we should be hearing more about in the future.

Russ reported on the Chili Cook Off. **Dan Dever** and **Ben Tafoya** headed up the event for our Club. **Gaylynn Stringham**, **Charles Gehrke**, and **Bob Basen** participated, and **Jerry Cradduck** cooked some great chili. Our Club won 3rd Place!! Big thanks to all who helped out!

Great news... **Russ** announced we now have the money in the bank for the Rotary Matching Grant for the swamp coolers for the Boys & Girls Club! They will be installed in the spring of 2013!

Also, we are fully approved for the Rotary Matching Grant for the five schools in Escondido for the drinking water project. Contact **Russ** or **Ben Tafoya** if you would like to join the group November 16th and meet with the Escondido Rotarians from our sister club.

Russ also announced that **Stew Anderson** is back to normal following a recent Sciatica issue... we look forward to seeing **Stew** at future Rotary Club meetings!
