

Call for Nominations

Rotarian of the Year

It has long been the policy of the Rotary Club of Victorville that one person is recognized at the Demotion Party for their service to the club as "Rotarian of the Year". To nominate someone that you believe has provided "Service Above Self" for, made a difference to, the club, is worthy of this honor and has not previously been recognized as Rotarian of the Year, please send either an e-mail or snail mail to Charles Gehrke - deadline for receipt is April 20, 2012 at 5 p.m.

To be considered your nomination must include the person's name and specific details on what this person has done, in which avenues of service, and over what time period. Additional factors are that your nominee must hold an "Active" membership and be in good standing with the club. All information provided remains confidential within the selection committee, and your name will not be mentioned as nominator.
